Hotel and Tour

Cusco due to the stunning beauty of its archaeological monuments was declared as the "Archaeological Capital of South America". Among these archaeological monuments this Machu Picchu, which is the most important tourist attraction of Peru and one of the seven wonders of the world.

Puno is one of the few cities that have the privilege of being located on the shores of a wonder as Lake Titicaca, the highest navigable lake in the world to more than 3800 meters above sea level, where are the famous floating islands of the Uros, an amazing archipelago of islands of cattails inhabited by the Uros, descendants of one of the oldest cultures of the continent, is also the island of Taquile where we will be able to enjoy an authentic experiential tourism.

Puno is considered the folkloric capital of Peru and America, is immensely rich in dance, music, customs and legends.
